Amendment to By-Laws

To conform to constitutional requirements it is necessary to re-enact the amendment to Art. IV Sec. 3, of the By-Laws recently adopted relative to Fee for the Orders, and action will be taken at this Conclave.

"Every accepted candidate shall pay to the Recorder before receiving the Order of Red Cross, the sum of Sixty Dollars, and before receiving the Order of the Temple, a further sum sufficient to cover the cost of the prescribed uniform adopted by the Commandery."

This, you will note is a substantial reduction in our Fee, and may appeal to some of those Chapter Masons who are eligible, but have not yet become Knights Templars.

Our Inspection

Inspection is now behind us and we can devote ourselves to greater social effort.

We regret that illness prevented the attendance of our Inspecring Officer and Division Commander, Em. Sir George T. Everett whose visit we had looked forward to with much pleasure.

The work was very good, and up to our usual standard as the mark 9 plus indicates, and the Commander wishes to thank all who helped make the event a success, and particularly the Sir Knights whose attendance and interest were a great help.

The Commandery appreciates highly that in the absence of Em. Sir Everett, Grand Commander Rt. Em. Sir George L. Dodd should have given of his valuable time to honor us by personally conducting the ceremonies of Inspection.

Sutton Commandery, No. 16, K. T., of New Bedford, Mass. will exemplify the Order of Malta in full form on the evening of February 16th. The Sir Knights of Calvary Commandery are cordially invited to be present. Supper at sixty cents will be served at 7:00 p. m. If you intend to be present, please notify the Captain General Sir Charles Crowell, before February 12th. This degree will be exemplified in the Masonic Temple in New Bedford.

About The New Temple

As we all know there has been no progress for some four or five years, which has developed a situation embarrasing to the Fraternity and one that is becoming more and more dangerous as time passes.

A survey of the situation by experts from out of town has shown that steps must be taken at once to remedy this condition.

A plan has been formulared resulting in the formation of a Board of Control consisting of one representative from each of the bodies except the Rite and Shrine, they being already represented on the Trustees. This Board has equal representation with the Trustees and consists of an equal number, eighteen each.

Preliminary meetings have been held, and last evening permanent organization was accomplished with Sir Francis B. Keeney of St. Johns Commandery as Chairman of the combined Boards, and Sir Arthur S. Berberian of Calvary Commandery as Secretary. Sir Edward C. Foster represents Calvary Commandery on the Board of Control.

It has been arranged to have at our February Conclave a representative of the Board of Control appear before the Conclave and present a review of the situation, and present facts and figures which will frankly show the whole situation and will be of vital interest to those who have contributed to the building of the Temple.

Let us show our interest, and support the new Board of Control by a full attendance. It will be interesting and entertaining as well.

Dues Are DUE and Payable January First of Each Year

Many Sir Knights have paid this year in advance, and to those we are grateful. We realize that many are not in a position to pay at this time, and to them we extend every sympathy and consideration, but our fixed charges and expense of running the Commandery go on as ever and must be met.

To those who have not paid this year we enclose a statement of account and ask that if you can not remit the full amount do what you can, as the Recorder is always willing to help by handling partial payments in any way you may wish.

There has been much sickness among our Sir Knights this Winter and we have tried to carry to them such cheer as we could. If any one has been neglected, it was from lack of knowledge of conditions, and we are sorry.

If you hear of any Sir Knight who is ill or in distress, let us know: that is our only means of getting in touch with them.

The Commander will visit every case where it is humanly possible, but it should not be left for him entirely. Sir Knights, Calvary calls you to this duty at this time when it is so possible to spread knightly good cheer.
